Spier exhibition regulations

1. Maximum height of stand: three meter
2. No hot works to take place in ballroom
3. No electrical sawing grinding to take place in ballroom

Display material

1. No display material may be attached to or placed up against the venue walls. All exhibition items must be free standing and may not be supported by the booth or venue walls.
2. Exhibitors may use freestanding banners as well as posters that can be attached directly to the booth walls on their stands.
3. The posters that are to be attached to the panels must be made of a lightweight material/paper and can be attached to the panels by using double sided tape. The exhibitor must supply their own tape. These posters must be portrait layout (max length 2.5 m x max width 90 cm).
4. All empty containers must be removed from the booth. Please note, there is no storage available for empty boxes. Arrangements must be made beforehand with the freight agent to store large containers.
5. The organiser reserves the right to request the exhibitor to remove their display if they do not comply with the regulations and terms and conditions of the conference and venue.

Activities at the exhibits

Exhibitors are requested to confine their activities and keep their display material within the confines of their booth. The Organising Committee and the organiser can be held responsible for loss or damage to exhibitor property. Exhibitors may only distribute promotional material/literature at their booth.

1. Exhibitors will be responsible for the security of their own booth during the Conference.
2. In their own interest, exhibitors should arrange for representatives of their companies to be present at the exhibition during the entire Conference.
3. It is essential that your exhibition be manned during the lunch and refreshment breaks.

Electricity Supply and installation

Stuff Exhibition Company is the official exhibition contractor and electrician for the Conference. They will be the only contractor permitted to carry out electrical work and installations at the exhibition. If you require any assistance with electrical problems/supply during set up and the event, please contact the organisers to arrange for the electrician to assist you.

Exhibitor Booths: If you have additional electrical requirements over and above what is included in your booth rental, please contact the Secretariat in order to make arrangements prior to the conference.

Please do not tamper with the wiring/electrical equipment.

Cleaning

Cleaning staff will ensure that the exhibition is cleaned each day.

Liability

The exhibitors at GWD 2017 shall indemnify all Sponsors, the Organisers and Spier Conference Centre shall under no circumstances be responsible for any loss or damage which may at any time be suffered by the exhibitor, his employees, servants, customers, clients or visitors or to any of his property by reason of any act, neglect, default or otherwise howsoever caused by any servant or agent of the organiser or any other person whomsoever.

Without in any way detracting from the generality of the foregoing, the organiser shall not be held responsible for any loss which the exhibitor and/or any other person(s) may suffer through theft, burglary or damage from any cause whatsoever.
